

CURRICULUM VITAE

PERSONAL INFORMATION

Forename and surname: Gáspár Lukács

Date and place of birth: May 9, 1989, Budapest (HU)

RESEARCH POSITIONS

Mar 2023 – Aug 2023: **Postdoctoral Researcher** at the *University of Vienna* (AT)

Department of Cognition, Emotion, and Methods in Psychology.

Oct 2022 – Feb 2023: **Postdoctoral Researcher** at the *University of Konstanz* (DE)

Department of Psychology.

Apr 2022 – Sept 2022: **Postdoctoral Researcher** at *Tilburg University* (NL)

Department of Methodology and Statistics.

Oct 2021 – Mar 2022: **Postdoctoral Fellow** (JSPS) at the *Aoyama Gakuin University* (JP)

Department of Psychology.

Mar 2021 – Sep 2021: **Postdoctoral Fellow** (PostDocTrack) at the *University of Vienna* (AT)

Department of Cognition, Emotion, and Methods in Psychology.

Mar 2018 – Feb 2021: **PhD Fellow** (ÖAW-DOC) at the *University of Vienna* (AT)

Department of Cognition, Emotion, and Methods in Psychology.

Feb 2021: Received doctoral degree “Dr. rer. nat.” (“with distinction”; all exams graded 1*)

Research visits:

Feb 2020: *University College London* (UK)

Department of Security and Crime Science.

Apr 2019 – Jul 2019: *Humboldt University of Berlin* (DE)

Department of Psychology.

Jul 2016 – Sep 2016: **Research Assistant** at *Maastricht University* (NL)

Forensic Section.

Mar 2016 – May 2016: **Research Assistant** at the *University of Amsterdam* (NL)

Department of Clinical Psychology.

EDUCATION

2014 – 2016: **Cognitive Psychology MA** – *University of Szeged* (HU)

Jun 2016: Graduated – grade average: 4.90; thesis defense: 5; final examination: 5*

(Thesis published in JARMAC, see Lukács, Gula, Hallgató, & Csifcsák, 2017.)

* Grades according to the Austrian five-grade scale: excellent (1), good (2), satisfactory (3), sufficient (4), insufficient (5).

* Grades according to the Hungarian five-grade scale: excellent (5), good (4), satisf. (3), pass (2), fail (1).

Oct 2015 – Feb 2016: Cognitive psychology MSc courses at the **University of Klagenfurt** (AT)

Part-time internship (“praxis” course) at the Department of Psychology.

Sep 2014 – Jan 2015: Cognitive and neuropsychology MSc courses at the **University of Angers** (FR)

2011 – 2014: **Psychology BA – University of Szeged** (HU)

Jun 2014: Graduated – grade average: 4.71; thesis defense: 5; final examination: 5

(Thesis published in IJP, see Lukács et al., 2016.)

Sep 2012 – Feb 2013: Psychology BSc courses at the **Bielefeld University** (DE)

2008 – 2011: **Mechanical Engineering BSc – Budapest University of Technology** (HU)

(Unfinished degree)

2002 – 2008: **Illyés Gyula Gymnasium** (specialized in mathematics)

LANGUAGES

	Spoken interaction	Reading	Writing	Certificate
Hungarian	native / mother tongue			
English	fluent, excellent (C2; TOEFL ITP 98.5%)			C1 (in 2007)
German	good (B2)	excellent (C1)	very good (C1)	C1 (in 2016)
French	good (B2)	excellent (C1)	very good (C1)	B2 (in 2011)
Dutch	basic (A1)	good (B2)	basic (A2)	
Esperanto	basic (A1)	good (B2)	basic (A1)	B2 (in 2011)

IT

- Office applications (especially Excel and Word and their Linux analogues): advanced knowledge
- SPSS Statistics, EEGLab: very good knowledge
- Extensive experience with online recruitment platforms (Prolific, Sona Systems, TurkPrime, etc.)
- Experience with 2D and 3D modeling (on paper as well as with AutoCAD and Solid Edge)
- **Programming:**
 - *JavaScript* (incl. *React*, *Google Apps Script*, *Angular*, *JQuery*, and the *Ionic framework* and *Cordova* for native smartphone apps): interactive display and data handling (storage and retrieval via *PHP* and *SQL*)
 - *Python*: interactive stimulus display (*PsychoPy*); data handling and analysis
 - *R*: general data processing, analysis, and statistics; web-based interfaces (*Shiny*)
 - *Bash*, *VBA* (for MS Office), *Matlab* (for EEG analysis), etc.: basic familiarity, basic procedures
 - *Git* – see also (including free applications not published elsewhere): <https://github.com/gasparl>

TEACHING

Programming psychological experiments in Python: 4 ECTS seminar for Cognitive Psychology MSc students at the University of Vienna; 2018, 2019, 2020 winter, 2020, 2021 summer.

MEi:CogSci Psychology Discussion: 2 ECTS seminar for Cognitive Science MSc students at the University of Vienna; 2020, 2021 summer.

Timing and Assessment: 4 ECTS seminar for Psychology BSc students at the University of Konstanz; 2022 winter.

Co-taught:

Scientific Readings: 5 ECTS seminar for Cognitive Psychology BSc students at the University of Vienna; 2020 winter.

Workshop:

A fast-track introduction to Python and PsychoPy: A two-day workshop for Early Career Researchers at the University of Vienna; June 1–2, 2023.

Supervision:

Three MSc theses, four MSc internships, over a dozen BSc theses and internships.

OTHER WORK EXPERIENCE

Mar 2017 – Feb 2018: **Functional Analyst** at the *European Investment Fund* (LU)

Internal IT consultant (via Sogeti Luxembourg) in the SAS and PHP support team: Investigating and resolving user-reported database interface errors; testing newly developed functionalities.

Oct 2016 – Feb 2017: **Statistician** “Blue Book Trainee” at *Eurostat, European Commission* (LU)

Unit B1 (methodology and corporate architecture): Collaborated in the creation of the new Validation and Transformation Language; created a Eurostat information portal (Liferay, Confluence).

Jun 2010; May, Jun 2011: **Assistant Engineer** at the *Közlekedés Consulting Engineers Ltd.* (HU)

Analyzed and recorded traffic data (technical drawings in AutoCAD); developed technical plans and designed (winner) tender presentation for the new riverboat service of the Budapest Transport Plc.

2006 – 2011: countless different temporary and student jobs (part-time or summer)

Including: general office work; data processing (MS Excel); English-Hungarian translation (technical, economic, juridical); advanced mathematics and physics tutoring; help desk; etc.

MAJOR FELLOWSHIPS

(2024 – 2026): *JSPS Postdoctoral Fellowship for Research in Japan*, ¥10,372,000 (ca. €60,100)

Fellowship (tax-free allowance) for a two-year individual postdoctoral project, by the Japan Society for the Promotion of Science (JSPS).

Oct 2021 – Mar 2022: *JSPS Postdoctoral Fellowship for Research in Japan*, ¥2,372,000 (ca. €18,100)

Fellowship (tax-free allowance) for a six-month individual postdoctoral project, by the Japan Society for the Promotion of Science (JSPS).

Mar 2021 – Aug 2021: *Post-Doc-Track*, Austrian Academy of Sciences; €21,000

Fellowship for a six-month individual postdoctoral project (including salary and a travel grant).

Mar 2018 – Feb 2021: *ÖAW-DOC*, Austrian Academy of Sciences; €115,500

Fellowship for a three-year individual PhD project (including salary and a travel grant).

Declined:

Oct 2023 (award date): *Erwin Schrödinger Fellowship*, Austrian Science Fund (FWF); €100,115

Project title: Touchscreens for Psychophysiological Measurement.

Fellowship for an individual postdoctoral project (including salary, research money, and travel grant).

OTHER FELLOWSHIPS, GRANTS, AWARDS

Jun 2023: *Support grant of the Faculty* (for research), University of Vienna; €1,000

Jan 2022: *Support grant of the Faculty* (for research), University of Vienna; €1,000

Mar 2021: *Bank Austria Research Award*, Bank Austria Foundation for Science and Research; €4,000

“Hauptpreis” 2021 (first prize in 2021 among all projects submitted at the University of Vienna).

2018 – 2020: Research and travel grants, University of Vienna; altogether ca. €4,500

Reimbursement of participant fees in online research (“*Förderungsstipendium nach StudFG*”: Jun 2018, €900; Dec 2018, €750; Jan 2020, €750); various travel grants for conferences and research stays (by the “JuWi” AG and by the Vienna Doctoral School of Cognition, Behaviour and Neuroscience).

Feb 2020: “*International Communication*” travel grant, Austrian Research Association; €700

Jul 2016 – Sep 2016: *Erasmus+* grant for internship, European Commission; €1,650

Mar 2016 – May 2016: *Erasmus+* grant for internship, European Commission; €1,250

Sep 2015 – Jun 2016: *Fellowship granted by the Hungarian Republic*; Ft340,000 (ca. €1,100)

“Köztársasági ösztöndíj” (awarded for outstanding academic performance, within top 0.8%).

Oct 2015 – Feb 2016: *Erasmus+* scholarship for studies abroad, European Commission; €2,780

Aug 2015: *DAAD* grant (for German language summer course); €1,050

Sep 2014 – Jan 2015: *Campus Hungary* scholarship, Balassi Institute; Ft921,000 (ca. €3,100)

Sep 2012 – Feb 2013: *LLP Erasmus* scholarship for studies abroad, European Commission; €1,800
